

**SAVE OUR ROCK ART
SAVE THIS WORLD HERITAGE AREA**

No Minister! The Palyku Native Title Working Group does not support your decision to vary the protected area status of the Woodstock Abydos Reserves in the Pilbara. This is one of the largest and richest rock engraving sites on Earth. It is worthy of World Heritage listing and should be protected for future generations of Australians.

If, you are the Minister for Indigenous Affairs;
Culture and the Arts; and Tourism-

THEN Sheila-

"WHERE THE BLOODY HELL ARE YA?!"
