MALCOLM DOUGLAS

G'day, I'm Malcolm Douglas and I love the Kimberley.

Australia's Kimberley region is one of the last true wilderness areas left on earth, it's home to the oldest rock art in the world and I urge you to protect this unspoilt region.

Some of the world's biggest oil and gas companies are set to establish liquefied natural gas plants. It would ruin the coastline and threaten the marine environment.

Do you want to save the Kimberley? Well visit [www.savethekimberley.com](http://www.savethekimberley.com).
