

Environment Report Card

Name: Peter Garrett

Years: 3

Group: Australian Labor Party

Subject	Grade	Comments
Burrup Peninsula	F	Poor attendance record and lack of participation
Barrow Island	F	Was not paying attention in class
Tasmanian pulp mill	F	Missed an easy opportunity to get an A
Coal-fired power stations	F	Is overly influenced by his classmates
Greenhouse gas emission reduction targets	D -	Leaves all the work until the last minute
Supporting renewable energy	C-	Peter fails to reach his potential
Uranium Mining	F	Has allowed himself to be bullied by the other kids

General comment:

His promising entrance exam results have not translated into good class work. I hope he will try harder next term.

Signed Mr Ludlam

Principal Greens Candidate for the Senate in WA
